

# Checking-in at the Test-Drive/Test-Ride Program

Reservations through the official Tokyo Motor Show app are required to participate in the Test-Drive/Test-Ride program. Open the app, turn on Bluetooth, and check-in at one of the check-in areas shown below or within the Tokyo Big Sight venue.

\*A valid ticket to the 45th Tokyo Motor Show 2017 is required to participate in the program.

\*Visitors who do not own a smartphone can use the kiosks available within the check-in areas.

\*Visitors who entered Tokyo Big Sight prior to coming to the Test-Drive/Ride venue must present a valid re-entry wristband before participating. Ticket stubs will not be accepted.

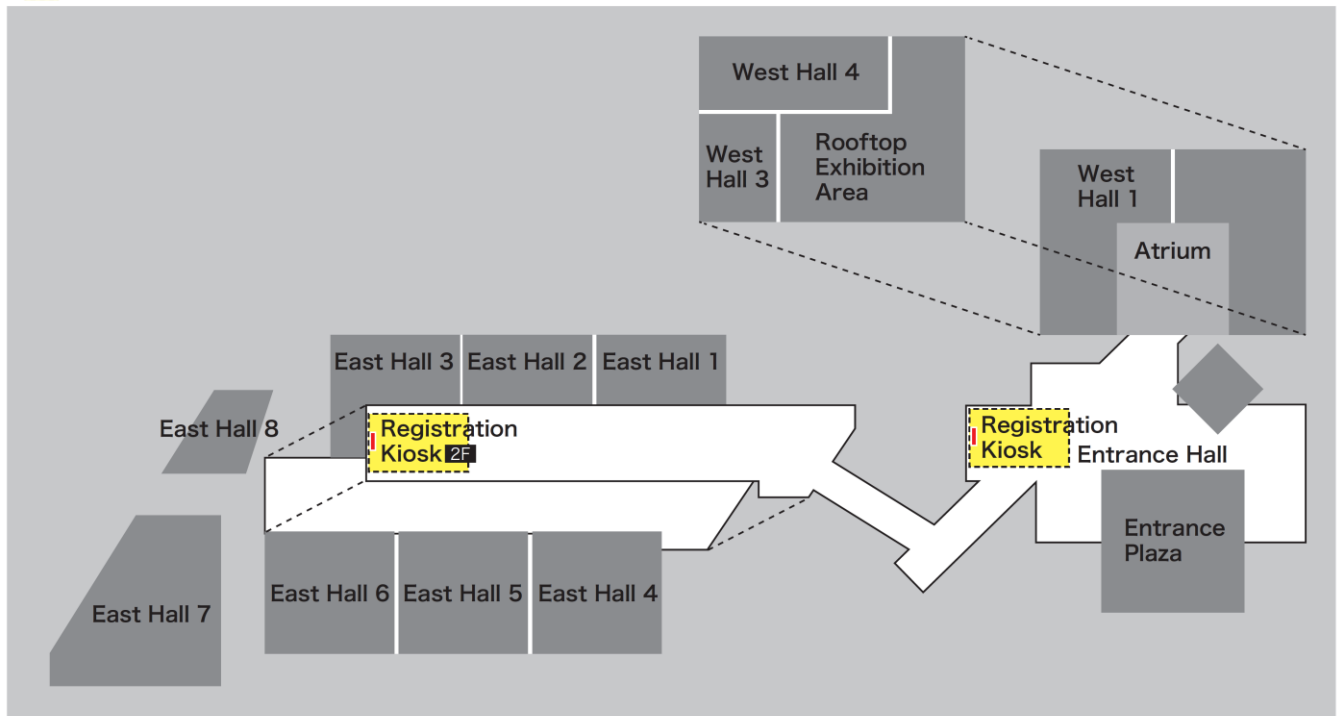

- Reservations are available for events up to 2 hours in advance.
- Please wait until the current reserved program is finished before reserving any subsequent programs.
- Reservations will be automatically cancelled if the participant is not present 10 minutes before the start time for the program.
- Each program has separate eligibility requirements, so please confirm eligibility before reserving.
- Parental consent is required for participants under the age of 20.
